Art. 3 Official notice board

All official announcements and results issued by the race managers and/or sport marshals will be posted in the following location:
Notice board in the paddock of the Ochsenbühl inside the Race Office.

III General terms and conditions

Art. 4 Basic event rules

- 4.1 The race will be held in compliance with the FIA international sporting code and its annexes, ASS national sport regulations, NSK regulations, NSK standard regulations for hill climb races and this information.
- 4.2 By registering, the participants undertake to follow all of the above regulations and waive any recourse before arbitrators or courts that are not prescribed in the FIA international sporting code or the ASS national sport regulations. Any violations in this respect may lead to disqualification.
- 4.3 Alcohol (ethanol) is prohibited in competitive auto sport and auto racing. Drivers must provide evidence of non-consumption by taking a breathalyser test and/or giving a blood sample. The limit which constitutes a violation of this rule corresponds to a blood concentration of 0.10 g/l.

Art. 5 Track

The race takes place on the track from Langwies (Sapün junction) to Arosa (Obersee) on the public road. The track has the following characteristics: Start after the bridge at the Sapün junction, finishing line near the Obersee Ice Rink, height difference 422 m, length approx. 7,300 m, average incline 5.4%, maximum incline 12%, 76 bends.

Two regularity classes will be in effect:

Scoring Mode 1: Regularity scoring (Arosa Classic Trophy):

The following average speeds for vehicles from the periods listed below must not be exceeded: **max. 80.0 km/h**

An maximum average speed of 80 km/h is permitted. This results in a benchmark time which will be announced in the supplementary race terms and conditions and on the notice board in the Race Office. The run is not counted if the driver falls below the benchmark time. (The time is deleted.) The smallest difference between two out of four scoring runs is scored. Times are scored with 1/100 second accuracy. In the event of two drivers having scored identical times, the ranking of the last, faster run is authoritative (see Art. 26.1.1).

The jury has the final say in all matters.

A calibration track will be set up. The start and finishing line will be announced during the administrative vehicle check.

- 19.1 All vehicles must be presented for the technical vehicle check in order to identify the vehicle and check the safety measures.
- 19.2 In the Regularity Class, the valid homologation leaflet or FIA Historic Technical Passport (HTP) for the vehicle must be presented. Failure to do so may result in the vehicle being rejected and reclassified.

VI Event Details

Art. 20 Start, finish, time scoring

- 20.1 All vehicles start with their engines running. All vehicles start in order of their start number during all training and scoring runs.
- 20.2 Unless authorised by the sport marshals, no vehicle may start outside its scoring mode or class.

Art. 21 Training

- 21.1 It is strictly prohibited to train outside the official training times. Violations of this rule may lead to disqualification from the event. **The Graubünden police department is planning corresponding random checks.**
- 21.2 The training takes place on Friday (2 training runs). Only vehicles that have passed the vehicle check may participate in the training.
- 21.4 Drivers must have started and completed at least one training run in order to be admitted to the scoring runs. Special cases are presented to the sport marshals. The jury has the full and final say in all matters.

Art. 22 Race

- 22.1 The scoring runs take place as stated in the detailed timetable.
- 22.2 The event is held in 4 scoring runs (2 on Saturday and 2 on Sunday) for the **Arosa Classic Trophy** (Scoring Mode 1) and the **Arosa Sport Trophy** (Scoring Mode 2).

VIII Scoring, complaints and appeals

Art. 26 Scoring

- 26.1 **Arosa Classic Trophy** (Scoring mode 1 as average score):
This scoring mode is a regularity check where drivers must not fall below a previously specified time (target time). An maximum average speed of 80 km/h is permitted. This results in a benchmark time which will be announced in the supplementary race terms and conditions and on the notice board in the Race Office. The run is not counted if the driver falls below the benchmark time. (The time is deleted.) The smallest difference between two out of four scoring runs is scored. Times are scored with 1/100 second accuracy. In the event of two drivers having scored identical times, the ranking of the last, faster run is authoritative.

- 26.2 **Arosa Sport Trophy** (Scoring mode 2 as sport scoring):
No ideal / target time or average is specified in the Arosa Sport Trophy. The smallest difference between two out of four scoring runs is scored. Times are scored with 1/100 second accuracy.
In the event of two drivers having scored identical times, the ranking of the last, faster run is authoritative.
- 26.3 The following rankings are recorded:
Arosa Classic Trophy:
The smallest difference between two out of four scoring runs is scored.
Arosa Sport Trophy:
The smallest difference between two out of four scoring runs is scored.

X Organisers' special terms and conditions

10.1 SB Key abbreviations:

ASN:	National sport authorities
ASS:	Auto Sport Switzerland, ASN of Switzerland
NSK:	National sport commission of ASS
FIA HTP:	FIA Historic Technical Passport
FIA HRCP:	FIA Historic Regularity Car Pass
FIVA ID Karte:	Vehicle pass of the Fédération Véhicules Anciens
INT-D1:	International day pass, no pre-qualification

10.2 SB The vehicles must have a vehicle pass. The following vehicle passes are accepted:

Scoring mode 1:	FIA HTP, FIA HRCP, FIVA ID Card
Scoring mode 2:	FIA HTP, FIA HRCP
No other vehicle passes are permitted.	

Passes can be ordered from the ASN responsible for the driver:

Swiss drivers: Verband Auto Sport Schweiz, Könizstrasse 161, 3097 Liebefeld (Bern), Switzerland

Tel.: +41 31 979 11 11, Fax: +41 31 979 11 12, info@motorsport.ch

Opening times Mon-Fri: 8:00 am to 12:00 pm and 1:00 pm to 5:00 pm.

The pass fee is CHF 100.00. Please order early!

- 10.3 SB Additional equipment in the vehicle: All mechanical and/or digital clocks and measuring devices are permitted.
- 10.4 SB By submitting their registration, all drivers confirm that they are psychologically and physically able to drive the scoring runs in Scoring Modes 1 and 2.
- 10.5 SB Drivers & co-drivers are strongly advised to obtain a medical certificate confirming their ability for Scoring Mode 1.
- 10.6 SB **Co-drivers are permitted at the Arosa Classic Trophy.**
Co-drivers are not permitted at the Arosa Classic Sport Trophy.

For co-drivers in scoring mode 1 (Arosa Classic Trophy) the following regulations apply:

- For co-drivers at least an INT-D1 license or a navigator license is required.
- Co-drivers in the classification mode 1 of the Arosa Classic Trophy must fulfil the same conditions as in article 8.1 and article 8.2 safety equipment of the drivers.

- Minimum age of the co-driver: From the year in which the co-driver turns 18 years old. (2021: year of birth 2003 and older),
- A maximum of 1 co-driver per driver may be entered. This is done with the entry.
- It is strictly forbidden to drive the vehicle in alternation. Driver remains driver, co-driver remains co-driver. Violations will lead to an exclusion from the event.
- Driver and co-driver will be registered on the entry form and they have to confirm the compliance with the regulations by signature at the administrative registration.

10.7 SB Selection criteria for vehicle registrations in all classes:

1. Priority Competition Class (separate information):

Competition Class registrations, all periods, in accordance with Annex K FIA up to 1985 for one and two seater racing cars, tourers and GT vehicles, Group C to 1990 have absolute priority.

2. Regularity Scoring priorities:

As a general rule, in the event of several similar / identical vehicles being submitted, the vehicle with the more valuable racing history is given preference. If the racing histories are virtually identical, the FIA HTP will be classed as higher than the FIA HRCP and the latter higher than the FIVA ID Card. For starts in the Regularity Scoring, registrations for **the Arosa Sport Trophy (Scoring Mode 2; sport scoring) are preferred to registrations for the Arosa Classic Trophy (Scoring Mode 1; average scoring).**

Registrations for the Regularity Scoring (vehicle make / type) should have a previous connection with racing sport.

- Vehicles up to 1947
- Racing cars, tourers and GT cars up to 1976
- Group C racing cars up to 1990 (up to Period IC)
- Racing cars, tourers and GT cars up to 1990

10.8 SB Participants with pre-war vehicles as described in above Section 6.1. who have registered for the Arosa Classic Sport Trophy, whose start has been confirmed by the organisers and who can prove that they have to travel more than 1,000 km to the event receive CHF 500.00 compensation toward transport costs. Their journey is calculated with Google Maps using the "Car" option. Payment is made once the vehicle has passed the administrative vehicle check on condition that the participant enters the originally registered vehicle at the start line, or a replacement pre-war vehicle in exceptional circumstances in accordance with Section 6.1 above. For administrative purposes, the compensation for transport costs is exclusively paid out to the participant and only against receipt.

10.9 SB The competitor who is being overtaken should make way for the faster vehicle. If overtaking is not possible, 17.4.1 and 17.4.2 apply.

10.10 SB Scoring example for the Arosa Classic Trophy:

Minimum permitted target time 5:23.55

Run 1; 5:25.81 Run 2; 5:23.51 (deleted, too fast) Run 3; 5:27.31 Run 4; 5:27.30 Smallest difference between Runs 3 and 4 of 1/100 sec. (0.01) is scored.

10.11 SB The organisers and Race Management reserve the right to install secret time checkers on the track. The scoring of the differences from the secret time checks is detailed in the final instructions.

The last, faster run is authoritative if two drivers score equal times.

10.12 SB **Scoring example for the Arosa Sport Trophy:**

Run 1; 08:21.33 Run 2; 08:22.11 Run 3; 08:20.98 Run 4; 08:21.35 Smallest difference between Runs 1 and 4 of 2/100 sec. (0.02) is scored.

10.13 SB **Disqualification from scoring:**
